

COMMUNITIES PROGRAM: 2009 COMMUNITY APPLICATION

BACKGROUND

Preserve America is a national initiative developed in cooperation with the Advisory Council on Historic Preservation (ACHP) and the U.S. Departments of the Interior, Agriculture, and other agencies. It highlights the efforts of the President and First Lady to preserve our national heritage. It has several components, one of which is the designation of Preserve America Communities.

Preserve America Community designation is granted to eligible communities that document how they meet three requirements:

- 1) The community has recently supported a historic or cultural preservation project that has promoted and/or is promoting heritage tourism or otherwise fostering economic vitality, and involved a public-private partnership between government entities and at least one civic association, non-profit, and/or business enterprise.
- 2) The governing body of the community has adopted a resolution indicating its commitment to the preservation of its heritage assets.
- 3) The community meets at least five criteria specified in three broad categories: discovering heritage through historic places, protecting historic resources, and promoting historic assets.

ELIGIBLE COMMUNITIES

Communities eligible to apply for designation as a Preserve America Community may be located in any U.S. state or territory, including the District of Columbia, and include:

- Municipalities of any size with a mayor, city council or board chair, or equivalent chief elected governing official;
- Counties with a county executive, board or commission chair, or equivalent chief elected governing official; and
- Clearly defined, populated, unincorporated communities that lack an elected governing official and that are located within a county or territory, provided the application for designation is submitted by the appropriate county or territorial government.

All of the above may use this application form, which is available in .pdf or Word formats at www.preserveamerica.gov/communities-form.pdf or www.preserveamerica.gov/communities-form.doc.

[There are two other kinds of Preserve America Community application forms. One is for use by federally recognized Indian tribes or Alaska Native Village corporations with a tribal chairman, and for subdivisions of such tribes that are represented by elected officials within the greater tribal government – districts, villages, chapters, and other equivalent communities. For details, see

www.preserveamerica.gov/tribal-communities-form.pdf or www.preserveamerica.gov/tribal-communities-form.doc. The other is for clearly defined neighborhoods within large cities or consolidated city-counties (cities with a population of 200,000 or higher). For details, see www.preserveamerica.gov/neighborhoods-form.pdf or www.preserveamerica.gov/neighborhoods-form.doc.]

APPLICATION PROCESS

Links to the application forms, sample resolution language, a list of deadlines, and a list and profiles of previously designated communities can be found at www.PreserveAmerica.gov/communities.html. Requests for information or forms can also be made by calling Judy Rodenstein at the ACHP at (202) 606-8584, or by e-mailing her at jrodenstein@achp.gov.

***If your community is a Certified Local Government (CLG)** – a status conferred by the National Park Service in cooperation with your State Historic Preservation Office – you will, by definition, already have some of the requirements for Preserve America Community designation in place. Therefore, certain parts of this application will not need to be documented, streamlining the process for CLGs. See the guidance for Section 4C on page 3 for details. To check if a community is currently a CLG, consult the list at http://grants.cr.nps.gov/CLGs/Get_All_CLG.cfm. If a CLG, indicate that status in Section 2.*

Applications are reviewed by ACHP staff for completeness. Complete applications are shared with the National Park Service (NPS) for their independent review. Communities with incomplete or unclear applications will be contacted by ACHP staff for additional information or clarification.

When an application is judged complete by the ACHP and the NPS, the name of the community is added to a list pending the next announcement of designated communities. Announcement of designated Preserve America Communities takes place several times a year and may be made by official letter or at a public event.

Please provide the name and title of the head of your local convention and visitors bureau and of your state tourism office, with both mailing and email addresses. If your community is designated as a Preserve America Community, the ACHP will notify them of your designation.

HELPFUL HINTS FOR PREPARING SUCCESSFUL APPLICATIONS

Communities should follow these simple guidelines to ensure that their applications are complete and can be processed in a timely manner. Section numbers refer to the sections of the application form.

Section 1: Be sure to consult with your State Historic Preservation Officer while developing your application and mail them a copy of the completed application.

Sections 3 & 7: The application must be signed and submitted by the chief elected governing official of the jurisdiction. In most cases, this will mean a mayor, county executive, or chair of a Board of Supervisors. If someone else is designated to do this, there should be a clear authorization for this delegation included in the submission package.

Section 4A: The project you select to feature needs to be one that has been supported by the community within the last three years and is complete and/or already having a positive economic impact. Make sure the project description includes information on the public and private partners involved and their roles, and clearly documents how the specific project is promoting heritage tourism or economic vitality in the community. Any data you can share on the economic or other impacts of the project is desirable. If the project is a program that has been ongoing for longer than three years, please specify what has been added or changed within that time frame. Please note that a history of the community, a list of projects

supported over the years, or information about planned projects that are still prospective do *not* meet this criterion. However, such information is welcome as supplementary material.

Section 4B: Resolutions of the local government should be recent and specific to the Preserve America initiative, or should be comprehensive and current enough (within the last five years) to show the community's present commitment to the preservation of its heritage assets and the goals of the program. Make sure the resolution is signed and dated, and that the governing body that has adopted it is clearly identified. A model resolution is available at www.PreserveAmerica.gov/communities.html.

Section 4C: Communities should carefully read through the additional criteria for designation and ensure that they adequately document how they meet *at least* five of the criteria, including at least one from each of the three categories (discovering heritage through historic places, protecting historic resources, and promoting historic assets). If there is any question about how well the community meets one of the five selected criteria, then the community should provide information on more than five. Feel free to contact ACHP staff if you have a question about how to fulfill and document specific criteria. ***[If your community is a Certified Local Government (CLG), and you have checked the box(es) indicating that your community meets any or all of the following three criteria – “an ongoing, publicly available inventory of historic properties,” “a local governmental body, such as a board or commission, charged with leading historic preservation activities in the community,” and/or “a historic preservation review ordinance and volunteer or professional staff to implement it” – you do not need to explain how your community meets those criteria. Just document two or three additional criteria, as appropriate, including at least one from Category 3: Promoting Historic Assets.]***

Item 4C(1): An “ongoing, publicly available inventory of historic properties” means the product of a survey that identifies, describes, and evaluates the condition of historic properties in the community. Be sure to include information on when this was done, any subsequent updates, as well as how and where the public can access the results of this research.

Item 4C(5): The “local governmental body, such as a board or commission, charged with leading historic preservation activities within the community” should be specifically authorized or established by the local government to carry out its duties. Its members must be appointed by the local government and its duties spelled out in a governmental document. Non-profit or quasi-governmental organizations with ex-officio membership of a governmental representative do not meet this requirement unless they have a recognized role under a governmental charter or ordinance.

Item 4C(10): “A historic preservation awards or recognition program” means a program through which the community seeking designation *gives* awards. It does not mean that the community has received awards for its preservation efforts, nor does it mean a plaque program indicating buildings are historic.

Item 4D: Submit three to five color images that illustrate the community's character and show people using and enjoying local historic resources. Digital images on a CD with a minimum resolution of 300 dots per inch (dpi) are preferred; 4” x 6” or larger photographs are acceptable. Photocopies are not acceptable. Provide captions and credits for the images and identify the community on the CD or on the back of the photos. Do not superimpose captions or credits on the images. These images may be used on the Preserve America Web site or for educational or other publicity purposes.

Section 5: Applications will be enhanced by letters of endorsement showing community interest and involvement, and by illustrative materials. Additional materials are encouraged, but not required.

Sections 6 & 7: Make sure to read the release authorization and logo use agreement, and to have the chief elected official sign and date the application. Since applications are reviewed by at least two reviewers, remember to submit an original and one copy set.
